Dear Paula and Scott:

If you are not already booked solid for social events in December, we would be pleased and honored to welcome you to the Carbondale Historical Society's annual Christmas Dinner on Tuesday, December 12, at Pettinato's Restaurant at 78 Dundaff Street in Carbondale (see attached file for details and to make a reservation).

If your schedules are such that you can attend this "cheerful holiday event", I will, at one point in the evening, introduce you to the group and ask you to tell the group about the wonderful and exciting historical preservation and spiritual initiatives now taking place on Bear Swamp Road under your direction.

You may also be interested in attending the annual Christmas Concert in Carbondale by the Crystal Band (sponsored by the Historical Society for the past 38 years), the concert to take place in Carbondale's very beautiful and historic Trinity Episcopal Church on River Street on December 3, the concert to begin at 7 PM (see attached flyer).

Thanks again for hosting, a few weeks ago, the visit by SRP and Cody Gonsauls (he and his wife will be at the Christmas dinner) to your world. A return visit, in the Spring, is high on his wish list.

Best,

Robert

Thanks for the kind invitation — we will be attending. We have RSVP'd to Michele and the event is on our calendar. Looking forward to meeting everyone & sharing the holiday spirit!

I'm copying Paula on this email as a reminder to adjust her office schedule accordingly on Tuesday, December 12.

Excellent. Very pleased to learn that you and Paula will be with us for this "cheerful holiday event" on the 12th. We've been holding this holiday dinner/get together for at least 40 years, and they are always enjoyable events.

Attached is a very rarely seen view (Hensel 1106) of "downtown Prompton."

Best,

Robert
